

# HIV AND VIOLENCE AGAINST WOMEN: A NATIONAL CONFERENCE

**Saturday, August 22, 2009**

Location: Loudermilk Conference Center  
40 Courtland Street SE  
Atlanta, Georgia 30303

Time: 9:00 am-5:00 pm

*The National Conference on HIV and Violence Against Women* is designed to promote and enhance understanding of women's health and wellbeing as influenced by two highly-stigmatized and gendered national issues: HIV/AIDS and violence against women. This conference is intended for **health care and service providers, researchers, advocates, community educators and policy makers** who are interested in enhancing their knowledge about the intersection of these two critical social and health disparities. Continuing educational credit will be available for some professions. The conference takes place one day before the National HIV Prevention Conference and **REGISTRATION IS FREE**. A registration form is attached to this flyer, and can also be downloaded at [www.seatec.emory.edu/trainingactivities/forthcoming\\_conferences.cfm](http://www.seatec.emory.edu/trainingactivities/forthcoming_conferences.cfm).

Questions? Please call Renata Dennis, RN, MPH at (404) 727-2011 or e-mail [rdennis@sph.emory.edu](mailto:rdennis@sph.emory.edu).

The objectives of *HIV and Violence Against Women* are to increase the following among participants:

- ✘ Awareness of the intersection between HIV and violence against women
- ✘ Perceived need for partnership among the violence against women and HIV communities to address the intersection of these disparities
- ✘ Knowledge of the gender-specific risks that influence women's vulnerability to HIV infection and violence
- ✘ Awareness of new, ongoing, and completed research programs that address the intersection of HIV and violence against women
- ✘ Motivation to provide their female clients with comprehensive education, care, and services that address violence against women and HIV risks and needs
- ✘ Understanding of provider roles in care of women clients and patients
